CHAIRMAN MESSAGE

AL-FAKHAMA UNION CONTRACTING COMPANY is a trusted and rapidly growing contracting firm committed to delivering high-quality construction and industrial solutions across diverse sectors. The company is proudly **100% Bangladesh-owned business** and brings over **15+ years** of business relationship experience, reflecting its stability, reliability, and long-standing presence in the industry.

The company is led by **Ms. Anju Ara Pervin, Chairman,** whose strong leadership and industry expertise drive our commitment to excellence, safety, and client satisfaction.

We specialize in a wide range of services, including **civil, mechanical, and electrical works, along with skilled manpower supply, industrial services, instrumentation support, and material procurement.** Our experienced and strong team of professionals is capable of handling projects of varying scale and complexity, ensuring efficient execution and adherence to the highest industry standards.

We understand that trust and integrity are essential when selecting a manpower and project partner. We take this responsibility seriously, recognizing that our role directly impacts the success of our clients' operations. Our proven track record is reflected in our strong base of repeat clients, which stands as a testament to our reliability, quality of service, and commitment to exceeding expectations.

AL-FAKHAMA UNION CONTRACTING COMPANY provides highly qualified professionals and skilled labor across all levels—senior management, mid-level staff, and operational workforce—on short-term, medium-term, and long-term contracts.

CHIEF EXECUTIVE OFFICER (CEO)

As the **Chief Executive Officer** of **AL-FAKHAMA UNION CONTRACTING COMPANY**, **MR.JAMIL RAHMAN** leads the organization with a clear vision focused on growth, operational excellence, and industry leadership.
He is responsible for overseeing all business operations, including construction projects, engineering services, manpower solutions, procurement, and corporate strategy, ensuring alignment with the company's long-term goals.

With strong expertise in the contracting and construction sector, **MR.JAMIL RAHMAN** drives the execution of civil, mechanical, and electrical projects, maintaining high standards of quality, safety, and timely delivery.
He plays a key role in developing strategic partnerships with clients, contractors, and stakeholders, strengthening the company's presence across multiple industries such as Oil & Gas, infrastructure, industrial projects, and commercial developments.
Through effective leadership and performance monitoring, he identifies opportunities for growth, improves operational efficiency, and ensures **s**uccessful project delivery.

MR.JAMIL RAHMAN, fosters a culture of innovation, accountability, and **teamwork**, empowering employees to achieve excellence in every project.
His leadership is focused on building a sustainable, client-focused organization that consistently delivers value and contributes to the development of the Kingdom's infrastructure.

ABOUT THE COMAPNY

AL-FAKHAMA UNION CONTRACTING COMPANY is a multi-disciplinary contracting and service provider delivering comprehensive solutions for construction and industrial projects. The company offers a broad range of services, including civil, mechanical, and electrical works, ensuring efficient execution from initial planning through to project completion.

The organization provides **expert manpower across civil, electrical, and mechanical disciplines, including highly qualified engineers to support complex project** requirements. In addition, it delivers specialized industrial services tailored to meet operational and maintenance needs. Its capabilities also extend to instrumentation works, enabling clients to maintain accuracy, safety, and operational efficiency across their systems.

AL-FAKHAMA UNION CONTRACTING COMPANY also supplies high-quality materials, ensuring projects are delivered on time and in full compliance with required specifications. The company works closely with clients, contractors, and industry partners, building strong, long-term relationships based on trust, quality performance, and professionalism.

With a strong commitment to safety, efficiency, and excellence, **AL-FAKHAMA UNION CONTRACTING COMPANY** consistently delivers reliable solutions that contribute to the successful execution of every project.

HSE POLICY

AL-FAKHAMA UNION CONTRACTING COMPANY , is committed to maintaining the highest standards of health, safety, and environmental protection across all its operations. We recognize that the well-being of our employees, contractors, clients, and the communities in which we operate is fundamental to our business success.

Our HSE policy is built on the following principles:

1. Safety First: We prioritize the safety of all personnel by implementing strict safety procedures, providing proper training, and ensuring that all activities comply with applicable safety standards and regulations.
2. Health and Wellbeing: We promote the health and wellbeing of our workforce by maintaining safe working conditions, providing access to necessary protective equipment, and encouraging healthy work practices.
3. Environmental Responsibility: We are committed to minimizing our environmental impact through responsible resource management, waste reduction, pollution control, and adherence to environmental laws and regulations.
4. Continuous Improvement: We strive to continually improve our HSE performance by regularly monitoring, auditing, and reviewing processes, and by learning from incidents to prevent recurrence.
5. Compliance and Accountability: All employees, contractors, and stakeholders are expected to comply with this policy. Management is responsible for enforcing HSE standards and ensuring accountability at all levels.
6. **AL-FAKHAMA UNION CONTRACTING COMPANY** is committed to preventing accidents, injuries, and environmental incidents through continuous monitoring, regular inspections, and ongoing improvement of our HSE management systems.

SAUDIZATION

AL-FAKHAMA UNION CONTRACTING COMPANY is committed to supporting the Kingdom of Saudi Arabia's Saudization initiatives by actively promoting the employment and development of Saudi nationals within our workforce. We recognize the importance of building local talent and contributing to the national economy while enhancing the skills and capabilities of Saudi employees.

Our Saudization approach focuses on recruiting qualified Saudi professionals across various disciplines, including engineering, supervision, skilled trades, administrative, and technical roles. We provide comprehensive training, mentorship, and career development programs to ensure our Saudi workforce is equipped with the knowledge, skills, and experience necessary to excel in the construction and industrial sectors.

By fostering a diverse and inclusive workplace, **AL-FAKHAMA UNION CONTRACTING COMPANY** ensures that Saudi employees have meaningful opportunities to grow, take on responsibilities, and contribute to the success of our projects. Our commitment to Saudization aligns with national goals, supports workforce localization, and strengthens long-term partnerships with clients and communities across the Kingdom.
To support this commitment, we implement structured training programs, on-the-job learning, mentorship initiatives, and continuous professional development to enhance the knowledge, technical skills, and leadership capabilities of our Saudi employees. We encourage innovation, teamwork, and knowledge transfer to build a strong and competent local workforce capable of meeting industry challenges.

AL-FAKHAMA UNION CONTRACTING COMPANY also works to create a positive and inclusive work environment where Saudi employees are empowered to grow professionally, assume leadership roles, and contribute effectively to project success. We ensure compliance with all relevant regulations and continuously review our workforce planning to align with national Saudization targets and best practices.

HR Department – AFUCC

The HR Department of **Al-Fakhama Union Contracting Company (AFUCC)** is led by experienced professionals responsible for managing recruitment, screening, and training of highly skilled personnel. Our HR team is dedicated to sourcing qualified talent from different countries, including **Sri Lanka, Bangladesh, the Philippines, India, and Pakistan,** to meet project requirements and industry standards.

In addition, the department manages employee compensation, benefits, and overall workforce administration to ensure a motivated, efficient, and well-organized team that supports the company's growth and success.

The HR team also focuses on employee onboarding, training, and development programs to enhance skills, improve performance, and ensure compliance with industry standards and safety regulations. Continuous training is provided to maintain high productivity and professional growth within the organization.

In addition, the department manages payroll, compensation, employee benefits, contracts, and overall workforce administration. It ensures fair policies, employee satisfaction, and a positive working environment that promotes motivation and retention.

AFUCC HR Department is also committed to maintaining strong labor relations, ensuring legal compliance, and supporting employees in all aspects of their professional journey. By focusing on people development and organizational excellence, the HR team contributes directly to the company's long-term success and sustainability.

Our people are our strength, and HR ensures they grow with us.

Through dedication, discipline, and strategic human resource management, the **AFUCC HR Department** contributes significantly to the company's operational success and long-term sustainability.

At AFUCC, we believe our strength lies in our people, and our HR Department ensures that strength continues to grow.

MANPOWER

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive and dependable **manpower solutions to support construction,** industrial, and maintenance projects across various sectors. The company understands that having skilled, qualified, and reliable personnel is essential for achieving project success, maintaining productivity, and ensuring safe operations. With a strong commitment to quality and professionalism, we supply workforce solutions tailored to meet the specific requirements of our clients.

Our manpower services cover a wide range of roles including project managers, site engineers, supervisors, foremen, civil workers such as masons, carpenters, steel fixers, and helpers, as well as mechanical personnel including welders, pipe fitters, fabricators, riggers, and technicians. We also provide electrical technicians, electricians, cable installers, instrumentation technicians, calibration specialists, equipment operators, safety officers, QA/QC inspectors, and general labor to support daily operations and project activities.

We carefully select and deploy personnel based on their qualifications, experience, and technical skills to ensure they meet project standards and client expectations. Our workforce is supported by a strong and well-organized management team, ensuring efficient coordination, supervision, and performance monitoring across all assignments. We are capable of supporting both small-scale assignments and large, complex projects, offering flexibility through short-term, long-term, and project-based staffing arrangements.

Safety and compliance are integral to our manpower services. All personnel are encouraged to follow strict safety procedures, adhere to site regulations, and maintain a strong awareness of health, safety, and environmental requirements. By promoting a culture of responsibility, discipline, and teamwork, we help create safe and productive work environments.

MECHINICS

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive mechanical services to support construction, industrial, and maintenance projects across various sectors. With a focus on quality workmanship, safety, and efficiency, the company delivers reliable mechanical solutions that meet project specifications and operational requirements.

Our mechanical services include installation, fabrication, and maintenance of piping systems, structural steel, and mechanical equipment for industrial and commercial facilities. We perform equipment installation, alignment, welding, and assembly works, as well as piping fabrication and erection for process and utility systems. The company also supports plant maintenance, shutdowns, and mechanical repairs to ensure smooth and continuous operations.

We deploy experienced mechanical engineers, supervisors, welders, fitters, riggers, and technicians who are trained to handle complex tasks while maintaining strict adherence to safety standards and quality procedures. Our team works closely with clients and contractors to ensure all mechanical activities are executed efficiently and within project timelines.

AL-FAKHAMA UNION CONTRACTING COMPANY. is committed to delivering dependable mechanical services that enhance operational performance, support project success, and build long-term partnerships with companies through professionalism, reliability, and consistent performance.

AL-FAKHAMA UNION CONTRACTING COMPANY. provides skilled mechanical technicians and mechanics for construction, industrial, and maintenance projects, ensuring reliable installation, repair, and maintenance services.

CIVIL WORKS

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive civil construction services covering a wide range of infrastructure, building, and industrial projects. With a commitment to quality, safety, and efficiency, the company delivers reliable civil solutions that meet client requirements and industry standards while ensuring timely project completion.

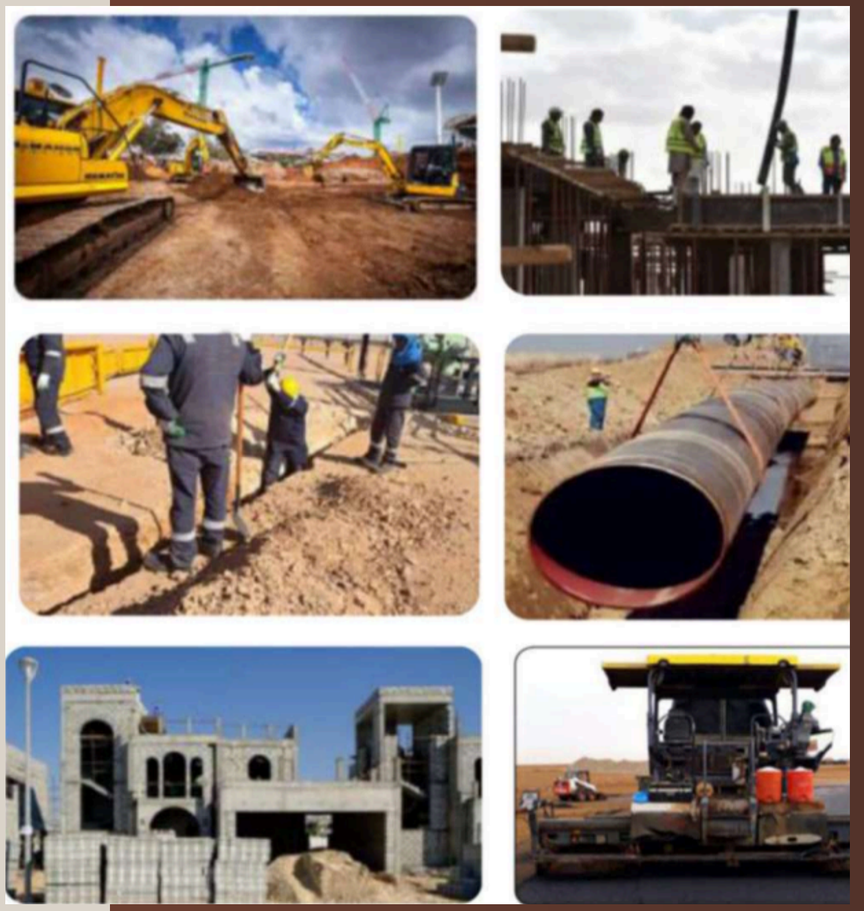

Our civil services include site preparation, earthworks, excavation, grading, backfilling, and foundation works for residential, commercial, and industrial developments. We undertake concrete works such as formwork, reinforcement, pouring, and finishing, as well as structural construction including buildings, warehouses, and support facilities. The company also performs road works, paving, drainage systems, underground utilities installation, and maintenance activities.

We deploy experienced engineers, supervisors, and skilled workers who work closely with clients and contractors to ensure that all civil activities are executed according to project specifications and quality requirements. Our team emphasizes proper planning, efficient resource utilization, and strict adherence to safety practices throughout all stages of construction.

AL-FAKHAMA UNION CONTRACTING COMPANY. is committed to delivering durable and cost-effective civil works that support the successful execution of projects across various sectors, including construction, infrastructure, and industrial facilities. By maintaining high standards of workmanship and fostering strong collaboration with companies, we aim to build long-term partnerships and contribute to the development of reliable and sustainable structures.

We deploy experienced civil engineers, supervisors, foremen, masons, carpenters, steel fixers, and skilled laborers who are trained to deliver high-quality workmanship. Our strong and dedicated civil team ensures efficient execution of tasks while maintaining safety standards and project timelines.

Through careful planning, coordination, and supervision, **AL-FAKHAMA UNION CONTRACTING COMPANY** delivers civil works that are structurally sound, cost-effective, and built to last, contributing to the successful completion of projects across various sectors.

ELECTRICAL

AL-FAKHAMA UNION CONTRACTING COMPANY provides comprehensive electrical services to support construction, infrastructure, and industrial projects with a strong focus on safety, reliability, and quality. The company delivers electrical solutions that meet project specifications, regulatory requirements, and client expectations while ensuring efficient and timely execution.

Our electrical services include installation, testing, commissioning, and maintenance of electrical systems for residential, commercial, and industrial facilities. We undertake power distribution works, cable laying and termination, installation of switchgear, transformers, lighting systems, control panels, and grounding systems. The company also performs troubleshooting, upgrades, and preventive maintenance to ensure safe and uninterrupted operations.

We deploy qualified electrical engineers, supervisors, electricians, and technicians who are experienced in handling a wide range of electrical tasks. Our strong technical team follows strict safety procedures and quality standards to ensure that all electrical works are carried out efficiently and in compliance with project requirements.

Through close coordination with clients and contractors, **AL-FAKHAMA UNION CONTRACTING COMPANY** aims to deliver dependable electrical services that enhance system performance, improve operational efficiency, and contribute to the successful completion of projects across various sectors.

We deploy qualified electrical engineers, supervisors, electricians, and technicians who are experienced in handling complex electrical tasks across various project environments. Our strong and skilled electrical team ensures all works are executed with precision, efficiency, and strict adherence to safety procedures and quality standards.

Through effective coordination and technical expertise, **AL-FAKHAMA UNION CONTRACTING COMPANY** delivers dependable electrical solutions that enhance system performance, improve operational reliability, and support the successful completion of projects across multiple sectors.

INSTRUMENT

AL FAKHAMA UNION CONTRACTING COMPANY

AL FAKHAMA UNION CONTRACTING COMPANY provides specialized instrumentation services to support industrial, construction, and process facilities with accurate control, monitoring, and system reliability. We are committed to delivering high-quality solutions that ensure efficient operations, safety, and full compliance with project specifications and international standards.

Our comprehensive instrumentation services cover the complete lifecycle of projects, including installation, calibration, testing, commissioning, troubleshooting, and maintenance of field instruments and control systems. We work with a wide range of equipment such as pressure, temperature, flow, and level instruments, control valves, transmitters, analyzers, and monitoring devices.

In addition, we perform cable laying, tubing installation, impulse line works, loop checking, panel wiring, termination, and system integration, supporting advanced process automation and control systems. Our expertise extends to working with PLC, SCADA, and DCS systems, ensuring seamless communication and accurate data monitoring across operations.

We deploy highly skilled instrument engineers, supervisors, and technicians who are experienced in handling complex industrial environments and adhering to strict safety and quality standards. Our team follows internationally recognized practices to ensure precision, reliability, and long-term performance of all instrumentation systems.

By working closely with clients, contractors, and project stakeholders, we deliver tailored solutions that enhance process efficiency, reduce downtime, and improve overall system performance. Our approach is focused on planning, execution, and continuous improvement, ensuring successful project delivery within schedule and budget.

We leverage modern tools and advanced technologies to deliver precise and efficient instrumentation solutions.

Our proactive approach ensures minimal downtime, improved system performance, and long-term operational reliability.

info@alfakhamaunion.com

EQUIPMENT

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive equipment services to support construction, industrial, and maintenance projects with efficiency, reliability, and safety. The company ensures that all machinery and equipment used on projects are operated, maintained, and managed to meet project requirements and timelines effectively.

Our equipment services include the provision, operation, and maintenance of heavy machinery such as cranes, excavators, bulldozers, loaders, forklifts, and other specialized construction and industrial equipment. We also manage equipment logistics, mobilization, and site support to ensure seamless project execution. Preventive maintenance, inspections, and repairs are conducted regularly to maximize equipment performance and minimize downtime.

We deploy skilled operators, technicians, and supervisors who are trained to handle various types of machinery safely and efficiently. Our strong and experienced operational team ensures strict adherence to operational standards and safety protocols while optimizing equipment utilization for each project.

By providing reliable equipment support, **AL-FAKHAMA UNION CONTRACTING COMPANY.** enables projects to be executed on time, maintain productivity, and achieve operational efficiency. Our focus is on delivering dependable services that enhance project performance and foster long-term partnerships with clients across multiple sectors.

We continuously invest in maintaining and upgrading our equipment fleet to ensure high performance and reliability across all project sites.

Our commitment to quality service and safety standards enables us to support complex operations with maximum efficiency and minimal downtime.

We utilize modern fleet management systems to monitor equipment performance, ensuring optimal utilization and real-time operational control.

Our commitment to sustainability includes using well-maintained, fuel-efficient equipment to reduce environmental impact.

INDUSTRIAL SERVCES

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive industrial services to support the operations, maintenance, and development of various industrial facilities. The company is committed to delivering reliable, efficient, and high-quality solutions that meet the unique requirements of industrial projects while ensuring safety and compliance with industry standards.

Our industrial services cover a wide range of activities, including plant maintenance, equipment installation and commissioning, mechanical and electrical support, instrumentation, and process system services. We also provide shutdown and turnaround support, inspection and testing, preventive maintenance, and repair services to ensure continuous and efficient operations.

We deploy experienced engineers, supervisors, and skilled technicians who are trained to work across multiple industrial sectors, including manufacturing, oil and gas, power, and infrastructure. Our strong and experienced industrial team works closely with clients to understand their operational needs, implement efficient solutions, and maintain high standards of quality and safety in every task.

By offering dependable industrial services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** helps companies optimize performance, reduce downtime, and achieve operational excellence. Our focus on professionalism, technical expertise, and timely service ensures that projects are executed successfully while building long-term partnerships with our clients.

We utilize modern tools, advanced techniques, and industry best practices to ensure efficient and high-quality service delivery across all industrial operations.

Our team is committed to continuous improvement, innovation, and strict adherence to safety standards to meet evolving industry demands.

Through proactive planning and effective execution, we ensure minimal disruption to client operations while maximizing productivity and performance.

We maintain a proactive approach to risk management, ensuring all industrial activities are executed safely and efficiently.

MATERIAL SUPPLY

AL-FAKHAMA UNION CONTRACTING COMPANY. provides reliable and efficient material supply services to support construction, industrial, and maintenance projects across various sectors. The company is committed to delivering high-quality materials that meet project specifications, industry standards, and client requirements while ensuring timely availability and cost-effectiveness.

Our material supply services cover a wide range of construction and industrial materials, including cement, steel, aggregates, piping materials, electrical components, instrumentation items, mechanical parts, safety equipment, and general consumables. We ensure that all materials are sourced from trusted suppliers and comply with quality and safety standards.

We manage procurement, inspection, storage, and logistics to ensure smooth and uninterrupted supply to project sites. Our strong supply chain and procurement team ensures accurate planning, efficient sourcing, and timely delivery to meet project schedules and operational demands.

By providing dependable material supply solutions, **AL-FAKHAMA UNION CONTRACTING COMPANY** supports project efficiency, reduces delays, and enhances overall productivity. Our commitment to quality, reliability, and client satisfaction helps build long-term partnerships across multiple industries.

We maintain strong relationships with reputable manufacturers and suppliers to ensure consistent quality and competitive pricing.

Our team ensures proper material handling, storage, and documentation to prevent damage, loss, and delays at project sites.

Through efficient coordination and inventory management, we guarantee timely delivery and continuous availability of materials to support uninterrupted project execution.

Our team ensures full documentation, traceability, and compliance with client and project requirements at every stage of supply.

CATHODIC PROTECTION SERVICES

AL-FAKHAMA UNION CONTRACTING COMPANY. provides specialized cathodic protection services to safeguard pipelines, storage tanks, and other metallic structures from corrosion, ensuring the longevity, safety, and reliability of industrial and infrastructure assets. Our solutions are designed in accordance with international standards and tailored to meet specific client and project requirements.

Our cathodic protection services include design, installation, testing, commissioning, and maintenance of systems such as impressed current cathodic protection (ICCP) and sacrificial anode systems. We conduct detailed site surveys, corrosion assessments, potential measurements, and system monitoring to ensure optimal performance and full compliance with industry regulations.

We deploy experienced engineers, technicians, and inspectors who are trained in corrosion control technologies and safety practices. Our strong and specialized corrosion control team works closely with clients to implement effective protection systems that prevent metal deterioration, reduce maintenance costs, and extend asset service life.

By delivering reliable and efficient cathodic protection services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** helps clients protect critical infrastructure, maintain operational efficiency, and ensure long-term asset integrity while upholding the highest standards of quality and safety.

We utilize advanced testing instruments and monitoring systems to ensure accurate performance evaluation and long-term effectiveness of cathodic protection systems.

Our team conducts routine inspections, system audits, and preventive maintenance to identify potential issues and ensure continuous protection.

Through a proactive and systematic approach, we help clients minimize corrosion risks, reduce operational costs, and maintain compliance with industry and safety standards.

HVAC SERVICES

AL-FAKHAMA UNION CONTRACTING COMPANY provides comprehensive HVAC (Heating, Ventilation, and Air Conditioning) services to support residential, commercial, and industrial projects. The company is committed to delivering efficient, reliable, and energy-saving HVAC solutions that ensure optimal indoor comfort, air quality, and system performance.

Our HVAC services include design, installation, testing, commissioning, and maintenance of air conditioning and ventilation systems. We handle ducting works, chillers, package units, split and central AC systems, air handling units (AHU), fan coil units (FCU), exhaust and fresh air systems, and ventilation solutions. The company also provides troubleshooting, system upgrades, and preventive maintenance to ensure continuous and efficient operation.

We deploy qualified HVAC engineers, supervisors, and technicians who are experienced in handling various HVAC systems across different project environments. Our strong and skilled HVAC team ensures that all works are executed with precision, efficiency, and strict adherence to safety and quality standards.

By delivering dependable HVAC services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** enhances system efficiency, reduces energy consumption, and ensures long-term operational reliability. Our focus on quality workmanship, timely execution, and client satisfaction supports the successful completion of projects across multiple sectors.

We utilize advanced equipment and industry best practices to ensure optimal system performance and energy efficiency across all HVAC installations.

Our team conducts detailed inspections, air balancing, and system optimization to maintain consistent temperature control and indoor air quality.

Through proactive maintenance and timely service support, we help clients reduce operational costs, extend equipment lifespan, and ensure uninterrupted system operation.

+966-551626996

COATING SERVICES

AL-FAKHAMA UNION CONTRACTING COMPANY. provides specialized coating services to protect industrial structures, pipelines, tanks, and equipment from corrosion, weathering, and chemical exposure. Our coating solutions are designed to enhance durability, extend asset life, and ensure long-term performance in demanding environments.

Our services include surface preparation, abrasive blasting, painting, protective coating application, epoxy coating, anti-corrosion coating, and fireproof coating systems. We also provide inspection, quality testing, and coating thickness measurement to ensure compliance with project specifications and international standards.

We deploy skilled coating technicians, supervisors, and inspectors who are experienced in handling various coating systems and surface treatment methods. Our strong and specialized coating team ensures all works are executed with precision, safety, and strict quality control.

By delivering reliable coating services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** helps clients protect critical assets, reduce maintenance costs, and improve operational reliability across industrial and infrastructure projects.

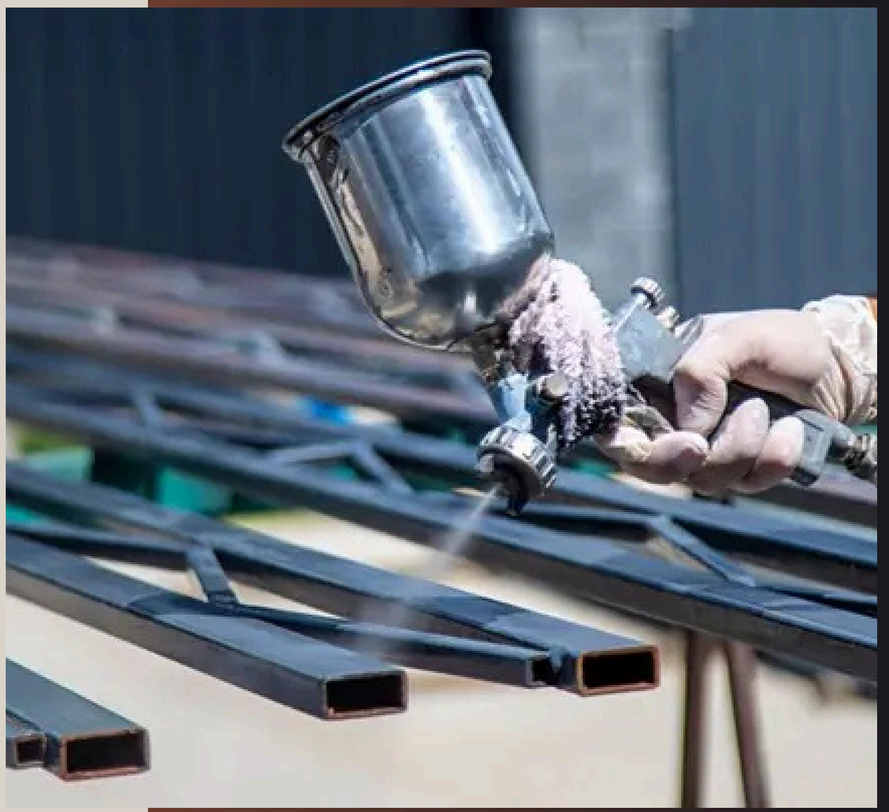

We use high-performance coating materials and advanced application techniques to ensure maximum protection against corrosion and environmental damage.

Our team follows strict surface preparation standards, including blasting and cleaning, to achieve strong adhesion and long-lasting coating performance.

Through continuous inspection and quality assurance, we ensure durable finishes that enhance asset integrity and extend service life.

We ensure compliance with international coating standards and client specifications at every stage of execution.

Our team performs regular quality checks, environmental safety control, and documentation to maintain consistent project standards.

info@alfakhamaunion.com

SCAFFOLDING

AL-FAKHAMA UNION CONTRACTING COMPANY. provides safe, reliable, and efficient scaffolding services to support construction, industrial, and maintenance projects. Our scaffolding solutions are designed to ensure secure working platforms that enable safe access to elevated and difficult-to-reach areas.

Our services include scaffolding design, erection, dismantling, inspection, and maintenance for a wide range of structures. We provide tube and coupler scaffolding, frame scaffolding, system scaffolding, and customized access solutions based on project requirements. The company also ensures proper tagging, safety checks, and load testing to maintain full compliance with safety standards.

We deploy trained scaffolders, supervisors, and safety inspectors who are experienced in handling complex site conditions. Our strong and safety-focused scaffolding team ensures all structures are erected with precision, stability, and strict adherence to safety regulations.

By delivering dependable scaffolding services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** supports safe working environments, improves project efficiency, and enables smooth execution of construction and maintenance activities across all sectors.

We prioritize safety by strictly following approved engineering designs, load capacities, and international scaffolding standards.

Our team conducts regular inspections and maintenance to ensure all scaffolding structures remain stable and secure throughout project execution.

Through efficient planning and skilled manpower, we deliver timely scaffolding solutions that support safe and uninterrupted work at all site levels.

We ensure proper training and certification of all scaffolders to maintain high safety awareness and professional competency.

Our operations are supported by continuous supervision and risk assessment to prevent site hazards and ensure worker safety.

+966-551626996
info@alfakhamaunion.com

NDT SERVICES

AL-FAKHAMA UNION CONTRACTING COMPANY. provides specialized Non-Destructive Testing (NDT) services to ensure the integrity, safety, and reliability of materials, welds, and industrial structures without causing any damage. Our NDT solutions are designed to meet international codes, industry standards, and client-specific requirements.

Our services include visual testing (VT), ultrasonic testing (UT), radiographic testing (RT), magnetic particle testing (MT), and dye penetrant testing (PT). We also provide hardness testing, thickness measurement, corrosion assessment, and weld inspection services for construction, piping, structural steel, and industrial equipment.

We deploy certified and experienced NDT inspectors and technicians who are trained in advanced inspection techniques and safety procedures. Our strong and qualified NDT team ensures accurate results, reliable reporting, and strict compliance with quality standards.

By delivering dependable NDT services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** helps clients detect defects early, prevent failures, reduce risks, and ensure the long-term safety and performance of critical assets across various industries.

We utilize advanced inspection equipment and modern NDT techniques to ensure precise defect detection and reliable assessment of material integrity.

Our team follows strict quality assurance procedures and international standards to deliver accurate, traceable, and certified inspection results.

Through timely reporting and expert analysis, we help clients make informed decisions that enhance safety, reduce risks, and ensure asset reliability.

By providing consistent and high-quality inspection services, we support clients in maintaining structural integrity and achieving long-term operational excellence.

info@alfakhamaunion.com

PIPELINE & TANK WORKS

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive pipeline and tank works services for industrial, oil and gas, and infrastructure projects. Our services are focused on delivering safe, efficient, and high-quality solutions that ensure the integrity, reliability, and long-term performance of critical systems.

Our pipeline services include fabrication, installation, welding, alignment, testing, and commissioning of pipelines for water, oil, gas, and process systems. We also carry out hydrostatic testing, pneumatic testing, flushing, and pigging operations to ensure system safety and performance. The company handles both above-ground and underground pipeline networks with precision and strict quality control.

In tank works, we provide fabrication, erection, installation, inspection, maintenance, and repair of storage tanks, including fuel tanks, water tanks, and industrial process tanks. We also perform tank cleaning, hydro testing, coating, and internal inspection to maintain structural integrity and operational safety.

We deploy experienced pipeline engineers, welders, fabricators.

We ensure strict compliance with international welding codes, safety standards, and project specifications throughout all pipeline and tank works.

Our team performs continuous inspection, quality control, and testing to guarantee leak-free and durable installations.

Through skilled execution and technical expertise, we deliver reliable systems that support safe and efficient industrial operations.

We utilize advanced welding techniques and certified procedures to ensure strong joints and long-lasting pipeline performance.

Our operations are supported by detailed planning, material traceability, and rigorous documentation at every stage of execution.

+966-551626996

STEEL STRUCTURE INSTALLATION

AL-FAKHAMA UNION CONTRACTING COMPANY. provides comprehensive steel structure installation services for industrial, commercial, and infrastructure projects, ensuring strong, stable, and precisely engineered structures. Our services are delivered in full compliance with approved engineering drawings, international standards, and strict safety regulations.

Our scope of work includes detailed erection planning, material handling, fabrication support, site preparation, and complete installation of steel structures such as industrial buildings, warehouses, workshops, pipe racks, platforms, equipment support structures, mezzanine floors, and heavy-duty frameworks. We carry out precise alignment, leveling, bolting, and welding to ensure structural accuracy and stability.

We also provide lifting and rigging operations using certified equipment and experienced riggers, ensuring safe handling of heavy steel components during erection. Our team performs on-site modifications, fit-up works, and adjustments to ensure perfect structural alignment and load distribution. Non-destructive testing (NDT) and quality inspections are conducted where required to ensure weld integrity and structural safety.

We deploy highly experienced structural engineers, site supervisors, certified welders, riggers, fabricators, and steel fixers. Our strong and well-coordinated structural team ensures efficient workflow, strict adherence to safety protocols, and high-quality workmanship at every stage of execution.

We maintain a strict quality assurance system that includes inspection of materials, welding procedures, bolt torque verification, and dimensional checks. Safety is a top priority, and all activities are carried out under approved risk assessments, method statements, and lifting plans.

By delivering reliable and precise steel structure installation services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** ensures fast-track project completion, structural integrity, cost efficiency, and long-term durability across all industrial sectors.

TRANSPOTATION SERVICES

AL-FAKHAMA UNION CONTRACTING COMPANY. provides reliable and efficient transportation services to support construction, industrial, and project-based operations. Our transportation solutions are designed to ensure safe, timely, and cost-effective movement of manpower, equipment, and materials to and from project sites.

Our services include transportation of heavy equipment, construction materials, machinery, tools, and industrial goods. We also provide workforce transportation for employees and laborers, ensuring safe and punctual daily mobilization to various job sites. The company manages logistics planning, route optimization, loading and unloading operations, and delivery scheduling to maintain smooth project flow.

We operate a well-maintained fleet of vehicles including trucks, pickups, trailers, buses, and specialized transport units suitable for heavy and oversized loads. All vehicles are regularly inspected and maintained to ensure safety, reliability, and compliance with road and transport regulations.

We deploy experienced drivers, logistics coordinators, and supervisors who ensure safe driving practices, proper cargo handling, and timely deliveries. Our strong logistics and transportation team ensures efficient coordination and continuous support for project requirements.

By delivering dependable transportation services, **AL-FAKHAMA UNION CONTRACTING COMPANY.** helps clients reduce delays, improve productivity, and maintain seamless project operations across all sectors.

We also implement strict safety procedures, including cargo inspection, load securing standards, and journey risk assessments to minimize risks during transportation activities.

We ensure efficient logistics planning to guarantee timely delivery of materials, equipment, and manpower to project sites.

Our transportation operations are supported by strict safety controls and regular vehicle maintenance to ensure reliability and security.

Quality Assurance

Strict Standards

Strict Standards ensure all work follows approved procedures, industry codes, and client requirements to maintain consistent quality. This approach helps deliver safe, reliable, and compliant project outcomes.

Regular Audits

Regular audits ensure financial accuracy and compliance with policies. They also help identify risks and improve business performance.

Skilled Workforce

Our skilled workforce consists of trained and experienced professionals dedicated to delivering high-quality work safely and efficiently. Their expertise ensures projects are completed to required standards.

Modern Equipment

Modern equipment enhances efficiency and precision in daily operations.
It helps businesses reduce costs, improve quality, and stay competitive.

+966-551626996
info@alfakhamaunion.com

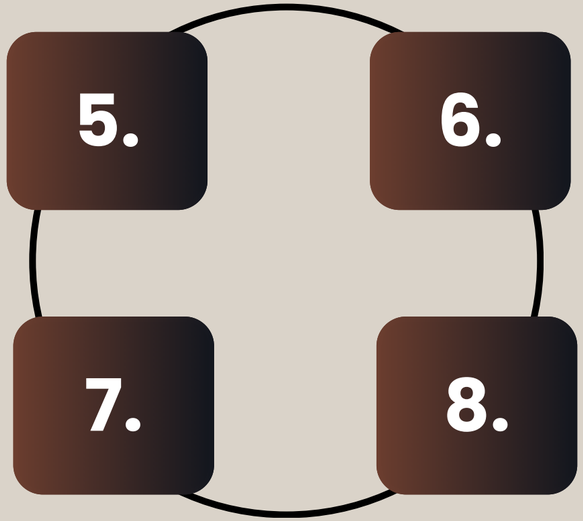

Quality Assurance

Continuous Training

Continuous training improves employee skills and knowledge.
It helps teams stay updated and perform better.

Inspection & Testing

Inspection and testing ensure products meet quality and safety requirements before delivery.
They help identify defects early and maintain customer satisfaction.

Standards Compliance

Standards compliance ensures that products and services meet required regulations and quality guidelines.
It builds customer trust and protects the business from legal risks.

Client Feedback

Client feedback helps businesses understand customer needs and expectations.
It supports continuous improvement and strengthens long-term relationships.

Safety Standards

Safety standards are essential to ensure a secure and healthy working environment. They help prevent accidents, injuries, and potential hazards in daily operations. By following clear procedures and guidelines, businesses can reduce risks and protect their employees. Strong safety practices also improve overall efficiency and workplace confidence.

Implementing safety standards demonstrates responsibility and commitment to quality. Regular training and proper equipment play a key role in maintaining these standards. Compliance with safety regulations builds trust with clients and authorities. A safe workplace ultimately leads to better productivity and long-term success.

Innovative Solutions

1. Green Building

Green building focuses on eco-friendly construction and energy efficiency.
It reduces environmental impact and promotes sustainable living.

2. Smart Design

Smart design combines functionality and aesthetics for efficient spaces.
It enhances user experience and maximizes resource use.

+966-551626996

info@alfakhamaunion.com

Innovative Solutions

3. Renewable Energy Integration

Using solar, wind, or other clean energy sources reduces costs and environmental impact.
It promotes sustainable and efficient energy use for buildings.

4. Automation & Smart Systems

Smart technologies control lighting, HVAC, and security efficiently.
They enhance convenience, save energy, and improve overall building performance.

Client Relations

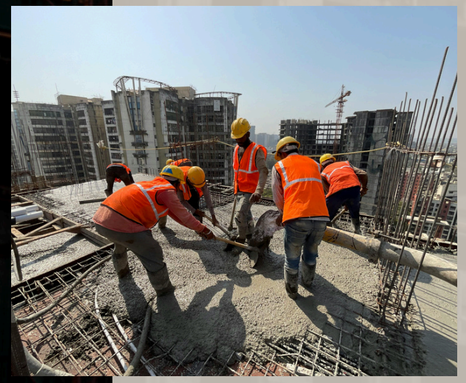

AL-FAKHAMA UNION CONTRACTING COMPANY. is committed to building strong and long-term relationships with its clients based on trust, transparency, and professionalism. We prioritize clear communication, timely response, and consistent support to ensure client satisfaction at every stage of the project.

Our dedicated team works closely with clients to understand their requirements, provide effective solutions, and ensure smooth project execution. We value feedback and continuously strive to improve our services to meet and exceed client expectations.

We ensure clear communication, timely response, and consistent coordination throughout all project phases to fully understand client requirements and deliver tailored solutions. Our dedicated team focuses on providing reliable support, proactive problem-solving, and high-quality service delivery to ensure client satisfaction and project success. By upholding integrity, accountability, and commitment in every engagement, we aim to develop lasting partnerships that contribute to sustainable growth and continued excellence.

Skilled Workforce

A skilled workforce is essential for delivering high-quality services and achieving organizational objectives. Employees with the right expertise, training, and experience are able to handle complex tasks efficiently while ensuring accuracy, safety, and productivity. Continuous learning and professional development enable the team to stay updated with modern techniques, technologies, and industry best practices. A capable and well-trained workforce enhances operational efficiency, minimizes errors, and contributes significantly to overall business growth and long-term success at **AL-FAKHAMA UNION CONTRACTING COMPANY.**

Investing in skilled employees also boosts morale and job satisfaction, creating a positive work environment. Their experience and knowledge help maintain high standards and meet client expectations consistently. Skilled teams adapt quickly to challenges, ensuring smooth operations and long-term success. A strong workforce is a key competitive advantage for any organization.

Market Presence

Market presence reflects a company's visibility, reputation, and influence within its industry. A strong market presence helps attract new customers, retain existing ones, and build trust among stakeholders. It is achieved through consistent quality, effective marketing, and active engagement with clients and partners. Expanding market presence also opens opportunities for growth, partnerships, and increased competitiveness in both local and global markets.

1. Global Projects
2. Local Partnerships
3. Regional Expansion
4. Industry Recognition

info@alfakhamaunion.com

Sustainability Goals

1. Eco Materials

Eco materials are sustainable resources that reduce environmental impact and conserve natural resources.
Their use promotes green practices and enhances a company's eco-friendly reputation.

2. Waste Reduction

Waste reduction minimizes unnecessary materials and promotes efficient resource use.
It helps lower costs, protect the environment, and support sustainable practices.

3. Renewable Energy

Renewable energy uses natural resources like solar, wind, and water to generate power.
It reduces carbon emissions and supports sustainable, eco-friendly energy solutions.

Technology Use

Technology use has become a cornerstone of modern business operations. Integrating advanced tools and systems improves efficiency, accuracy, and productivity across all departments. From digital communication to data management, technology streamlines processes and reduces manual effort. It also enables faster decision-making by providing real-time insights and analytics.

Moreover, technology enhances innovation by supporting new product development and creative solutions. Automation and smart systems reduce errors, save time, and optimize resource use. Adopting the latest technologies helps businesses stay competitive and responsive to market demands. Overall, effective technology use drives growth, quality, and operational excellence.

info@alfakhamaunion.com

Partnership Network

1.

Trusted Suppliers

Trusted suppliers provide reliable, high-quality products and timely deliveries.
They help ensure smooth operations and build strong business partnerships.

2.

Strong Investors

Strong investors provide financial stability and support for business growth. Their confidence helps drive long-term projects and strategic expansion.

3.

Industry Alliances

Industry alliances foster collaboration and knowledge sharing between businesses. They strengthen market position and create opportunities for growth and innovation.

4.

Government Support

Government support provides businesses with incentives, guidance, and regulatory assistance.
It helps promote growth, stability, and compliance in the industry.

Future Vision

Future vision is the roadmap that guides a company toward long-term success. It defines goals, strategies, and innovations that shape growth and development. By anticipating market trends and customer needs, businesses can stay ahead of competitors. A clear vision ensures focused efforts and aligned decision-making across all teams.

Embracing technology and innovation is key to realizing future goals. Investing in advanced tools, automation, and research enables businesses to improve efficiency and deliver better solutions. Staying adaptable to change ensures resilience in a dynamic market. Innovation-driven strategies position the company as a leader in its industry.

Sustainability and social responsibility are central to the future vision. Incorporating eco-friendly practices and ethical standards builds trust with clients, partners, and communities. Long-term planning includes reducing environmental impact and promoting corporate responsibility. This approach strengthens reputation and ensures responsible growth.

Talent development and strategic partnerships support future objectives. Building a skilled workforce and collaborating with trusted partners drive innovation and operational excellence. Continuous learning and knowledge sharing prepare teams for emerging challenges. Together, these efforts ensure sustainable success and a competitive edge in the future.
